Place cut up pictures of fruit, ingredients, or letters and cover your pan. When you open it - it is filled with a cookie or memory verse.

SECRET: When you cover the pan, it loads the bowl.

STORY TIME

Teach the Fruit of the Spirit with this stunt. Have the kids draw pictures of fruit and teach about each fruit.

Finally place the drawings in the main bowl and cover it with the gimmicked lid. (the lid has the cookie in the extra pan sitting inside of the lid.)

You could also tear up a picture and have it restored in the pan.

A fun way to do a memory verse: Have

the kids write the words and cut them out - place them in the pan and pull out the restored memory verse!

Pray, Practice, and Perform.

Encourage the kids to share the Good News.
